Create Your Own Prompts

What was the last text you sent? Use this as your first line.

Create a character name from a parent's middle name and something that lives under the sea. Describe this person.

Open your favourite book to page 96. What's the first line of the first new paragraph? Use this.

Select something from the 'What you want to write' section of your planner. This is your prompt.

What question did you ask a lot when you were a child? Write about this.

Fill in the blanks: It all started when (the) <noun> <verb>ed (the) <noun>.
